PASS COPA!

The Community Opportunity to Purchase Act (COPA) gives community land trusts and other qualified nonprofits a first chance to buy at-risk buildings when owners sell—stabilizing and increasing the supply of urgently needed affordable housing. Learn more: nyccli.org/COPA

Dear Speaker Menin,

I urge you to pass COPA (Int. 905), a proven policy to combat displacement, stabilize buildings in greatest need of preservation, and bring housing into permanently affordable community ownership. More than 200 community, labor, and housing groups support COPA.

Pass COPA now!

Respectfully,
