NYC COMMUNITY LAND ACT

The NYC Community Land Initiative (NYCCLI) calls on the New York City Council to pass the Community Land Act – an urgently-needed legislative package that generates permanently-affordable social housing and neighborhood-led development without displacement. Together, these policies address our city's housing crisis, build community wealth, and advance racial and neighborhood equity.

The Community Land Act includes:

- **Public Land for Public Good (Intro 637)** – prioritizing CLTs and not-for-profit developers when the City disposes of public land. The bill will help ensure that public land is used to provide permanently-affordable housing and meet other critical needs.

- **Tenant Opportunity to Purchase Resolution (Reso 38)** – calling on New York State to enact legislation giving tenants a first right to collectively buy their buildings when a landlord sells.

- **Permanently abolishing and replacing the NYC Lien Sale** – which has fueled speculation and displacement in BIPOC communities – and replacing it with an equitable system that engages CLTs to preserve affordable housing and keep New Yorkers in their homes.
